What Is the Flu Season Defense Kit?

The ***Flu Season Defense Kit*** is one of our most requested wellness protocols, now finally available in one convenient package. This kit was designed to help your body defend itself before illness strikes, supporting immune strength and resilience all year round.

When taken daily as directed, these clinically backed supplements work together to manage inflammation, enhance immune response, remove toxins, and strengthen your natural defenses.

Why Use It Before You Get ?

- **Builds a strong immune system** baseline year-round.
- **Helps reduce your body's toxic load** so it can fight infections more effectively.
- **Keeps inflammation under control** before it triggers seasonal discomfort.
- **Supports mucosal membranes**, your body's first line of defense.

Think of this kit as your immune system's shield, not just a rescue tool.

What's Inside?

Antronex® – Inflammation Control & Detox Support

- Contains bovine liver fat extract discovered by Japanese researchers.
- Supports the body's natural detoxification pathways.
- Works as a natural decongestant for easier breathing.

DV3 – Advanced Vitamin D Complex

- High-quality Vitamin D3 with Vitamin E, beta glucan, turmeric, L-carnitine, calcium, and magnesium.
- Includes Vitamin K2 for proper vitamin D absorption.
- Supports healthy interferon production, critical for viral defense.

ViRadChem Binder® – Toxin & Free Radical Clean-Up

- Supports detoxification of environmental and microbial contaminants.
- Promotes cellular repair and free radical scavenging with acai, artichoke, broccoli leaf, and wheatgrass.
- Features BioActive Carbon® Technology to protect nutrients during digestion.

Calcium Lactate – Immune Cell Support

- Dairy-free and vegan.
- Strengthens immune cell function.
- Provides a strong source of absorbable calcium and magnesium.

Cataplex® A-C – Mucosal & Immune Function

- Combines vitamins A & C with Echinacea.
- Protects mucosal membranes (nose, throat, lungs).
- Supports both immune function and healthy blood production.
